

■ This famous restaurant will command your attention the moment you enter. The original English double decker bus is incorporated into the unique bar/lounge and giant palms and colonial pillars frame the outdoor terrace, providing you with a charming alfresco dining experience. The menu is a fusion of Island flavours and Mediterranean influences. At the bar you can enjoy signature cocktails like the Blood Orange Mojito, while listening to live music on Thursday, Friday and Saturday nights. Every Tuesday and Saturday is the legendary ‘All You Can Eat Lobster’, where Caribbean lobster tails are grilled to perfection.
